

About us

Duc Thanh was established on May 19th, 1991 with a core value of "contributing to environment protection", while being the leading professional manufacturer of kitchenware, household utensils and toys made of rubberwood, beechwood, acacia wood, MDF, plywood, etc. In addition, we can produce other types of wood, if you place orders with large quantities.

"Home Paradise" is the ideal that we would like to achieve for our customers. Our mission is demonstrated through our existing product lines. Since 2006, we achieved several key milestones including the launch of WIMWINTOYS, which encompasses a wide selection of high-quality educational toys for children.

10 years later, it would be a successful business of Duc Thanh when we have become one of the top 50 best companies in the stock market voted by Forbes - a reputable business magazine. This is considered as a present for us after 25 years of founding and developing, thanks to our good services to satisfy customers.

Duc Thanh has three big factories located in Ho Chi Minh City and Binh Duong Province which cover an area of over 60,000 square meters. We have continuously strengthened the optimal position in the wood processing industry in Vietnam and the international market with a remarkably increasing revenue, a labor force of over 1,200 skillful workers, the modern equipment.

Duc Thanh has achieved certificates: ISO 9001:2015, BSCI, C-TPAT, CE and many other certificates in more than 30 last years.

Duc Thanh always prides on its strength: delivering goods on time, having the ability to produce big and numerous orders and especially meeting the urgent orders.

Market:

Duc Thanh's products have been exported to 50 countries all over the world including Japan, Korea, Germany, the U.K, France, Italy, the U.S, Thailand, Singapore, Australia, U.A.E... In the domestic market, our products are distributed widely in large supermarket chains such as Coopmart, Big C, Emart and Loto Mart in Ho Chi Minh, Ha Noi, Da Nang, and other outlets.

KITCHENWARE

Kitchen is more than just a place for cooking. Some double as informal dining areas and gathering spaces as well, designing a good kitchen interior is more than just picking the right appliances. Here is Duc Thanh's kitchenware collection that is experimental, new and different - some of which serve novel functions and others of which may be too conceptual to be useful.

HOUSEWARE

You all have stuff - many of us have way more than we would like. Where to put it? Some racks and holders often overflow and leave us to seek other kinds of creative storage spaces. Since storage is necessity, it makes sense to let us help you make it a design statement as well.
