# SLAMP – CLIZIA PENDANT LIGHT

Clizia is a series of shapes fit together to create a perfect balance of reflections and transparencies. It features a magnetic anchoring system, connecting them to the ceiling (for the pendant light and applique) or the metal base (for the table and floor lamps).

## ECODO 108 DOWNLIGHT

Ecodo 108 Downlight is the 3rd gen LED downlights designed by Zenterra's R&D team to make it more compact and efficient than before. The 108 downlight uses a special type of 4mm plexiglass acrylic sheet to even out the light distribution and a 1mm frosted defuser for anti glaring and better light penetration.

# CASTRO LIGHTING – GALILEI PENDANT LIGHT

The idea of the sun being the leading figure of the solar system as all planets move around the golden star, Galilei suspension has rotating rings spinning around the light in the center that shimmer through the Swarovski crystals. Galilei is the perfect fit for contemporary interior designs that combine strong pieces in a harmonious interiors décor.
