

Dihafu

New Collection

About us.

DIHAFO CO., Ltd has been created in 2012. As a Vietnamese manufacturer of metal furniture, we have our own factories and warehouse in 2 facilities one located in Binh Duong province and Dong Nai province for a total of 30 000 sqm. We produce classic and contemporary designs of in/outdoor metal furniture and accessories. We work with different materials as metal, mosaics, cement, wood, terrazzo, weaving, wickers and glass. All our metal products could be powder-coated, E-coated, galvanized.

All our design style is created by our own designer, we can help you to develop your own design through our sample department. Our showroom displays our exclusive designs that could be adapted to our country requirements. We have a strong quality control at each step of the fabrication and packing. Our main markets are: United States, Australia, Japan, Europe as France, Germany, Spain, Italy, Denmark ...

Waiving.

Always trendy, our chairs made on wood or metal are waived with a material made in Vietnam available in hundred of colors and sizes. The material use is the best quality in the market in terms of UV resistance, water and good performance over time.

Metal.

Durables and strong, all our products are powder-coated, E coated or galvanized for an excellent result that meets your expectation. Our projects are welcome for been developed by our designers.

Mosaics.

Hand made products, our imagination has no limits for designing and making you a unique and durable product. Made with natural stone, ceramic, marble, glass, etc...
