TRUONG THANH WOOD INDUSTRIES JSC (TTI)

Wooden Furniture Manufacturer and Exporter in Vietnam

ABOUT US

Founded in 2008, TRUONG THANH WOOD INDUSTRIES JSC (TTI) has grown to become one of the leading manufacturers and exporters of wooden Furniture and flooring in Vietnam.

We are now producing various ranges related to wood such as Indoor Furniture, Outdoor Furniture, Floorings, Decking, Tile etc. and expanding our market worldwide with the four main ones: US, Canada, Europe and Japan

With the area of 65,000 square meters, automatic modern drying-kiln system and 3 separated full production lines equipped with state-of-the-art machinery successfully in Phu Yen province and the labor force of over 600 employees, we enhance our current capacity to 1000 containers 40 ft per year and confidently bring to our valued customers the high quality products with competitive price and definitely on time delivery.

In recognition of continuous improvement, the company has been awarded with FSC – CoC no. TSUD-COC- 000797, BSCI with DBID no. 392256 and managed by ISO 9001:2015 for its high quality management. Furthermore, our materials from both of local and foreign sources such as Acacia, Keruing, African Mahogany, Tagayasan/ Senna, Sapeli, Teak. etc is certified with FSC or non-FSC but from the known sources as the proof that we comply with the highest social and environmental standards to bring the environment friendly furniture to the world homes.

For all the reasons above, please do not hesitate to contact the company for any inquiry you may. We are not only a supplier but also a companion on the way to your success.
