## 100 CONTAINERS / MONTH

Established in 2005 in DakLak on the highland of central Vietnam, this factory specializes in exterior products. We are currently a manufacturer for many famous brands in the US, Europe, Japan and Korea...

We offer outdoor furniture for residential areas, apartments, villas, schools, hospitals, commercial centers, and high-class resorts.

# OUTDOOR FURNITURE

## 90 CONTAINERS / MONTH

In today's homes, kitchen cabinets are essential, while RTA products save expensive freight. Our 30,000 m<sup>2</sup> factory manufactures mostly for US cabinet and RTA product retailers while another smaller factory caters to high-end customers in Vietnam under the Meister brand using top technology and equipment we imported from Germany and Italy.

## 200 CONTAINERS / MONTH

TTF designs, manufactures, and constructs sofas for many domestic and international projects, as well as for retailers.

We produce our own frames and upholster our sofas, chairs, pillows, cushions with both fabric and leather in 27,000 m<sup>2</sup> of space under roof. Natuzzi of Italy is our partner and we share their upholstery expertise.

We are proud to say we own the best metal furniture factory in Vietnam with welding robots and the latest plating/coating lines.

Casadora is a subsidiary of TTF that is managed by artisans from Milan, Italy.

Casadora's products are inspired by classical Western architecture. Italian designers work side-by-side Vietnamese craftsmen to create meticulously handcrafted products of classic and elegant beauty.

Casadora has been serving the expanding elite of Vietnam, besides their foreign counterparts.

Available on the market since 1950, THIEN THANH BATHWARE (TTBath) has been a household name with Vietnamese families for at least three generations. Following a recent takeover by TTF, TTBath has become an export brand as well, mostly to the US market, thanks to its excellent quality and services, with a 50,000 m<sup>2</sup> factory installed with Italian ovens.
