ABOUT TTF

TTF[®]
SAP S/4 HANA

TTF Corporation focuses on providing interior-exterior services and bespoke furniture for acclaimed properties around the world, specifically hotels and resorts, as well as restaurants, luxury retail boutiques, and residential properties.

TTF Corporation now sets the vision of sustainable growth in both quality and speed to provide a total furnishings solution to any space in and out of Vietnam.

TTF Corporation believes that creating interiors is a personal commitment to our customers in every aspect, from space planning, budget definition, design concepts, to construction documents and final installation. We offer quality furnishings by balancing tradition and innovation.

Our work foundation is the relationship with our clients. We understand that each project has specific needs and demands the highest quality level in the work involved, so our approach is flexible and responsive.

COVERAGE DOMESTIC AND OVERSEA

- 29 years of furniture making at your disposal.
- 110.000 square meters of manufacturing space.
- 400 containers/month of loose furniture.
- 100 containers/ month of cabinets and kitchens.

- Run simple by SAP.
- The preferred destination for the world's most well-known international retailers.
- Leading national supplier of projects, hospitality, and residential interiors.

Our headquarter is in Binh Duong, Vietnam, while our 11 member companies and 13 factories are spread across the territory of Vietnam.

With 25 years of experience in designing, producing, constructing, and installing interior and exterior spaces, our products represent modern design features, vary in materials and colors, and carry unique styles that are suitable for each type of space. This opens a wide range of choices for our customers, so they can find delight in developing their creativity.

TTF is proud to be one of the manufacturers that can satisfy even the most fastidious customers in both domestic and foreign markets.

The leading manufacturer of all wood kitchen cabinets and vanities in Vietnam.

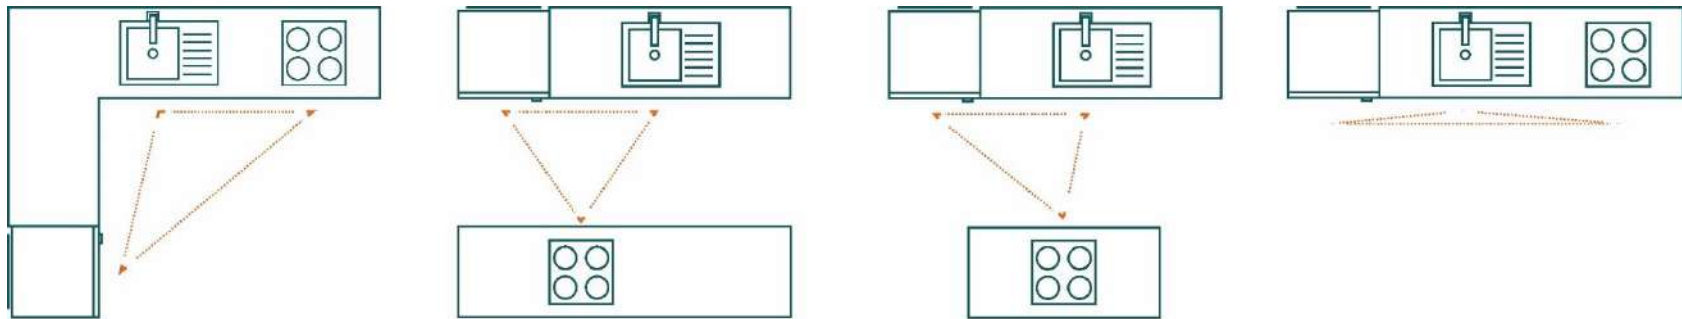

The Kitchen Cabinet is an important piece of furniture in modern kitchens. You can choose wooden products with diverse designs and patterns depending on your needs and preferences. The kitchen is the heart of the house, the place to keep the fire of happiness burning. With energy, effort, and enthusiasm, TTF will help you spread love to everyone. The factory has an area of 30,000m². Each month is capable of producing 100 kitchen cabinets that meet export standards to the US.

ZONES OF A FUNCTIONAL KITCHEN

US Cabinets - American kitchen cabinets for Vietnamese homes, with more than 25 years of experience in manufacturing and construction for the US, European markets, along with construction experience for real estate projects of other companies. Leading investors in Vietnam, such as Vingroup, Sungroup,... spread across the country. Along with the experience in the profession and the criterion of always putting the customer at the center of the design, US Cabinets will bring a great experience to each customer.

KITCHEN WORK TRIANGLE

Today's kitchen isn't just about cooking and cleaning. As the hub of the home, the kitchen is more multi-functional than ever. Hence, kitchen designers have to think more flexibly, and layout spaces based on the particular activities that will take place there, based on their clients' needs. Making your operation efficient and optimal makes cooking more enjoyable. Refrigerator - prep sink - cooking - pantry storage- always make sure everything you need is always within reach.

MODULAR KITCHEN DESIGN

Easy Installation and Repair

No need to worry about the lengthy installation process that affects your living space. Smart design and a professional team ensure the installation is completed within 3-5 days.

Cost-Effective

The prefabricated nature of modular kitchen systems allows for simple and quick installation on-site, often taking no more than a week to complete the procedure. Additionally, the process of mounting also requires less labor.

Dependable Quality

With a specialized factory scale for kitchen cabinets, over 30,000 m². The quality and stability of products are always strictly adhered to by TTF according to export standards. TTF builds every kitchen cabinet and vanity to the highest standards and stands behind our kitchen cabinets with a warranty.

DEPENDABLE QUALITY

MATERIAL

"For a beautiful life" TTF has been successful in using the natural wood source and investing in planting production forests simultaneously to preserve the forest resources and the environment. Up to now, TTF has had access to 50.000 hectares of forestland and more than 14.000 hectares of forest that are ready to be exploited. Currently, our corporations have the largest area of forestation in Vietnam.

FINISHING SURFACES

A wide range of finishing surfaces, including melamine, paint, laminate, and acrylic, with each finish, US Cabinets always updates the latest trends to ensure the aesthetic of the kitchen.

KITCHEN ACCESSORIES

Feel the smoothness and lightness of opening or lifting the cabinet door to ensure the kitchen accessories serve your best rhythm.

KITCHEN APPLIANCES

Modern kitchens come with high-class accessories; TTF cooperates with leading equipment suppliers for the Vietnamese market and ensures customers have a variety of choices for home kitchens.

KITCHEN ACCESSORIES

A clever accessory that moves in response to your every action makes for a smart kitchen. The accessory supply partners have worked with TTF for many years to ensure that the right accessories are supplied for the customer's needs.

PARTNERS

100 CONTAINERS / MONTH

In today's homes, kitchen cabinets are essential, and RTA products save on expensive freight. Our 30,000 m² factory manufactures mostly for US cabinet and RTA product retailers, while another smaller factory caters to high-end customers in Vietnam under the Meister brand, using top technology and equipment we imported from German, Italy and Taiwan.
