"For a Beautiful Life"

With the motto of bringing to life long-lasting beauty and values, TTF has developed specialized capability for most popular categories of furnishings for housing and hospitality projects. All items are designed and manufactured at our own extensive group of factories, run by the most advanced SAP ERP system, which enables us to synchronize the efforts of our skilled artisans, engineers, and sales professionals.

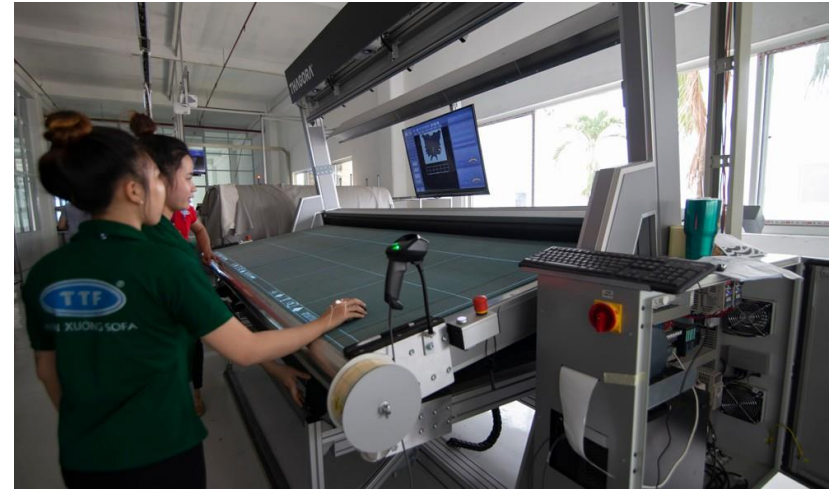

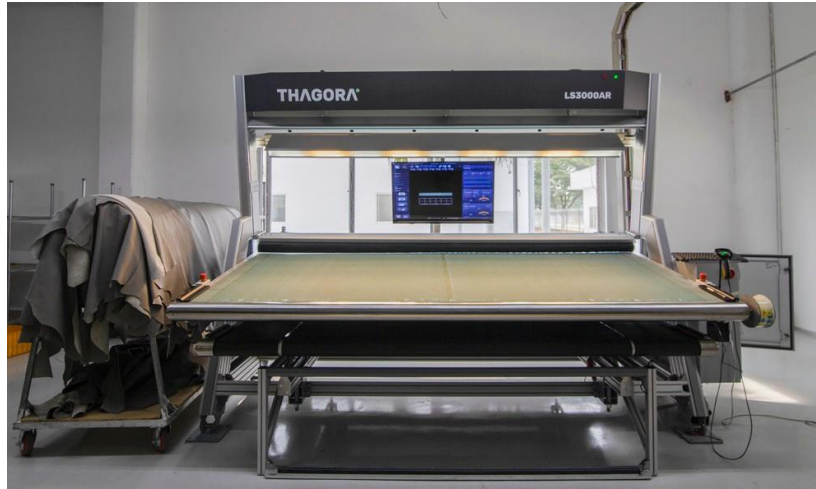

200 CONTAINERS / MONTH

TTF designs, manufactures, and constructs sofas for many domestic and international projects, as well as for retailers.

We produce our own frames and upholster our sofas, chairs, pillows, cushions with both fabric and leather in 27,000 m² of space under roof. Natuzzi of Italy is our partner and we share their upholstery expertise.

INCREASE THE NUMBER OF MODERN MACHINES IN THE FACTORIES

THAGORA LEATHER SCANNING MACHINE

TTF manufactures a wide range of upholstery products for luxury hotel projects. The wooden frame is designed and built according to the requirements of each project and according to the designer's requirements for optimum strength.

All aspects of our furniture are crafted with passion. Our skilled workers in Vietnam take a lot of pride in making our products, paying close attention to every detail.

The upholstery we produce is not only innovative and unique in its craftsmanship and design, but also made with the highest quality materials. Our inner frames are extremely strong and made from imported materials. We offer a wide range of quality fabrics/leathers, ranging from “good” to “best” categories. We stand by the quality of our furniture and the materials used to produce them.
